

Payments to Academic Contractors

For all University of London Worldwide academic contractors payments in academic year 2023-2024/ Module Leader led sessions 2024

Payments to Academic Contractors will not be released until the Academic Contracts Team have received signed contracts, register of interest, right to work and the necessary mandatory data to allow individuals to be set up on the University/outsourced payroll or financial management system if overseas.

Academic Contractor fees are processed by the University of London Fees Office. When fees are ready for payment the federation member programme contacts or University of London Worldwide staff provide details of fees due including information on the volumes/amounts that are to be paid to each board member. All payments must be made in accordance with HMRC's regulations, and all fee rates are subject to revision each year.

All Academic Contractors related enquiries should be sent to the following team mailboxes:

Team	Type of enquiry
