

AUTHORISED EXAMINATION CENTRES IN THE UNITED STATES OF AMERICA

February 2019

- Students are expected to travel to their nearest established examination centre stated on this list.
- Some examination centres can only accommodate a limited number of candidates. Students should confirm this with the examination centre directly.
- A number of examination centres have different examination starting times. Students are responsible for confirming with the examination centres the exact examination venue, exact reporting time and exact examination starting times.
- Some examination centres require candidates to provide pre-paid courier envelopes when making an examination entry. Students should confirm this with the centre directly.
