## Table of Recognition of Prior Learning 2019-2020

Awarding Body	Qualification	Recognition for (max of 4 full courses) / Special Criteria
Hong Kong		
Chinese University of Hong Kong	Higher Diploma in Network and Mobile Computing	CO1108 (if taken Internet Business Thinking & Strategies and Electronic Customer Relationship Management); CO1110 Meets Maths entry requirement
	Higher Diploma in Computer Game Development	CO1110 Meets Maths entry requirement
City University of Hong Kong	Associate of Science in Network and Systems Administration	CO1110 Meets Maths entry requirement
Tiong Kong	Associate of Science in Information Systems Development	CO1110 Meets Maths entry requirement
Hong Kong Polytechnic University	Associate in Information Technology	CO1110 Meets Maths entry requirement
Offiversity	Associate in Statistics and Computing for Business	Meets Maths entry requirement
Hong Kong University SPACE	Associate of Engineering (Business Information Systems)	CO1110 Meets Maths entry requirement
OI AGE	Associate of Engineering (Computer Engineering)	CO1110 Meets Maths entry requirement
	Associate of Engineering (Computer Science)	CO1109; CO1110 Meets Maths entry requirement
	Associate of Engineering (Electronic Engineering)	CO1109; CO1110 Meets Maths entry requirement
	Higher Diploma in Business Information Systems	CO1108; CO1110 Meets Maths entry requirement
	Higher Diploma in Business Systems	CO1108; CO1110 Meets Maths entry requirement
	Higher Diploma in Information Technology	CO1109 (if followed Web and Multimedia Development stream); CO1110; CO2222 (if followed the Networking (NETW) or Information Security and Ethical Hacking streams (ISEH))  Meets Maths entry requirement
	Higher Diploma in Engineering	CO1110 Meets Maths entry requirement
	Higher Diploma in Library Information Management	CO1110 (if followed Information Management stream)  Does not meet Maths entry requirement
Institute of Vocational	Higher Diploma in Telecommunications and Networking	CO1110; CO2222 Meets Maths entry requirement
Education	Higher Diploma in Information and Network Security	CO1110, CO2222 Meets Maths entry requirement
Malaysia	ı	1
Kolej Damansara Utama,	Higher Diploma in Computer Studies	CO1102, CO1108, CO1110
	Diploma in Computer Studies	CO1108, CO1109
Malaysia (KDU)	Diploma in Games Technology	CO1109

Malta		
St Martin's Institute of Information Technology (SMIIT)		For CIS/CC CertHE applicants who hold SMIIT Mathematics 2 at 70%+; Meets Maths entry requirement
Singapore		
Nanyang Polytechnic	Diploma in Business Informatics	(graduated before 2014: CO1102 if passed IT1501 with A; CO1109; CO1110); (graduated in or after 2014: CO1102 if passed IT1501 with A CO1110);
	Diploma in Business Enterprise IT	Meets Maths entry requirement CO1102 if passed both IT1561 & IT1571 with at least C; CO1110; CO2209
	Diploma in Business & Financial Technology	Meets Maths entry requirement CO1110; CO2226
	Diploma in Business Intelligence & Analytics	Meets Maths entry requirement (graduated before 2021: CO1102 if passed IT1325 with A; CO1110; CO2209);
		(graduated in or after 2021: CO1110; CO2226)
	Diploma in Cyber Security & Forensics (new in 2015) (previously Diploma in Information Security)	Meets Maths entry requirement  CO1102 if passed both IT1521 & IT1531 with at least C; CO1110;
	Renamed 2018: Diploma in Cybersecurity &	Meets Maths entry requirement CO1110; CO2226
	Digital Forensics	Meets Maths entry requirement
	Diploma in Engineering Informatics	CO1102 if passed both IT1751 & IT1761 with at least C; CO1110;
	Diploma in Financial Informatics	Meets Maths entry requirement  CO1102 if passed both IT1621 & IT1631 with at least C;
	Diploma in Infocomm & Security	Meets Maths entry requirement (graduated before 2021: CO1102 if passed both IT1101 and IT1201 with at least C; CO1110; CO2222 if taken Systems and Network Security or Network and IT Services options)
		(graduated in or after 2021: CO1110; CO2222 if taken Systems and Network Security option; CO2226)
	Diploma in Information Technology	Meets Maths entry requirement  (graduated before 2014: CO1102 if passed both IT1101 & IT1201 with at least C; CO1109; CO1110);  (graduated in or after 2014: CO1102 if passed both IT1101 iT1201 with at least C; CO1110);
		(graduated in or after 2021: CO1110; CO2226)
	Diplomas in:	Meets Maths entry requirement
	Aeronautical & Aerospace Technology; Aerospace Systems & Management; Biomedical Engineering; Digital & Precision Engineering; Electronics, Computer & Communications Engineering;	CO1102;  Meets Maths entry requirement
	Engineering with Business; Electrical Engineering with Eco-Design; Electronic Systems; Mechatronic Engineering; Nanotechnology & Materials Science Robotics & Mechatronics	

Diptoma in Telematics & Media Technology		Diploma in Multimedia & Infocomm Technology	CO1102 if passed both EG1740 & EG2741 with at least C; CO1110; CO2209;
Ngee Ann Polytechnic  Diploma in Information Technology  Diploma in Information Technology  (graduated before 2021: CO1110; CO1110)  Meets Maths entry requirement  Diploma in Information Security & Forensics  CO2222; Meets Maths entry requirement  Diplomas in:  Aerospace Technology; Aerospace Electronics; Audio-Visual Technology; Automation & Mechatronic Systems; Biomedical Engineering; Chemical & Biomolecular Engineering; Electrical Engineering; Engineering Science; Environmental & Water Technology (marine 2014, Shipbuilding and Offshore Engineering, 2014, Shipbuilding and Offshore Engineering, 2014, Shipbuilding and Offshore Engineering (graduated before 2014: CO1102, CO1110; Meets Maths entry requirement  Diploma in Electronic & Computer Engineering  Diploma in Network Systems & Security  Co1102; Meets Maths entry requirement  Diploma in Network Systems & Security  Co1102; Meets Maths entry requirement  Diploma in Information Systems; Business Applications; Business Applications; Business Applications; Diploma in Information Systems; Information Technology; IT Service Management; Mobile Software Development Diploma in Inforomm Security Management (new in 2015)  Diploma in Inforomm Security Management (new in 2015)			Meets Maths entry requirement
