Additional costs

In addition to the Programme Fees payable to the University, you should budget for textbooks (this may well be in the region of £400 per year if you are taking four courses in one year) and for the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. You can find contact details for all our [examination centres](#) on the website. The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £87 per sitting when using London examination centres.

You should also budget for tuition costs if studying at a recognised teaching centre.

Goods and Services Tax (GST)

The University is required to add Goods and Services Tax (GST) to certain fees paid by students resident in certain countries. Further information can be found on our [web page](#).

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students resident in the UK, our fees are exempt from VAT.

Programme Fees may be paid in one of two ways:

- either a single payment, covering the registration fees and all course fees for the programme or stand-alone Individual courses;
- or the application and registration fees plus the fees for the courses you select to study in the first year. To complete your registration, you must pay at the same time both the registration fee and the fee for at least one course. In subsequent years, only the fees for any new courses are payable.

When to pay

The application fee is payable when you make your application. The closing date for applications is 15 September. If your application is successful, you will receive an offer inviting you to register.

The registration fee is payable when you register with the University. Please note that if you are registering for Level 4 courses, you should ensure you complete your initial registration by 9 October in time for commencement of VLE Tutor Groups on 15 October.

The continuing registration fee is payable in the second and subsequent years of registration at the time when you complete the continuing registration task each year. The closing date for continuing registration is 1 November. However, if registering for Level 4 courses in subsequent years, again, you should ensure you complete your continuing registration by 9 October in time for the commencement of VLE Tutor Groups on 15 October.

The assessment fee and the Online Assessment Administration Fee is payable when you choose to enter an examination. Examination entries are accepted from mid-December to the closing date of 1 February. Examinations take place in May or June each year. The examination fee and the Online Assessment Administration Fee and dates also apply to students who are re-entering examinations.

An application fee may be payable if you wish to have prior learning considered for accreditation on, or transfer to, the degree programme. Such applications may be made throughout the year.

An extension of registration fee is payable if you are permitted to extend your period of registration for a stand-alone Individual course. You may make this request throughout the year.

*A late registration fee of £110 will be charged if payment is not received by the deadlines specified for initial or continuing registration.

** Indicative total fee

This has been calculated assuming the programme is completed in the minimum time (i.e. 3 years) with no examination resits.

How to pay

Details on how to pay your fees are available on the [website](#).

Your payment provider may apply additional transaction fees, including in respect of any refunds. (If in doubt, please check with them before making a payment.) Further information about fee payment options can be found in the link above.

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.

Fee increases

Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.
