**See details below for costs you may incur with parties which are external to the University of London, for example, examination centre charges and locally imposed taxes. You should budget for these accordingly.**
Additional costs
In addition to the Programme Fees payable to the University, you should budget for
textbooks (this may well be in the region of £300 per year if you are taking four
courses in one year) and for the fee charged by your local examination centre.
Examination centre fees are not included within the fees set out above. This fee will
vary from centre to centre and you should contact your proposed examination
centre(s) for details of their fees to factor them in to the overall cost of completing the
programme. You can find contact details for all our examination centres on the
website. The University of London is only responsible for the examination centre fee
charged at London centres. You will be charged £87 per sitting when using London
examination centres.

You should also budget for tuition costs if studying at a recognised teaching centre.

Goods and Services Tax (GST)
The University is required to add Goods and Services Tax (GST) to
certain fees paid by students resident in certain countries. Further information can be found on our web
page.

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any
other sales tax payable by the student in their country of residence. Where the
University is required to add VAT, GST or any other sales tax at the local statutory
rate, this will be added to the fees shown during the payment process. For students
resident in the UK, our fees are exempt from VAT.

When to pay
The non-refundable application fee is payable when you make your application. The
closing date for applications is 1 October. If your application is successful, you will
receive an offer inviting you to register.

The registration fee is payable in order to be registered as a University of London
student. The closing date for initial registrations is 30 November.

The assessment fee is payable when you choose to enter for a written examination.
Examination entries are accepted from mid-December to the closing date of 1
February. Examinations take place in May or June each year. The assessment fee and
date also apply if you are re-entering the examination.

The continuing registration fee is payable in the second and subsequent years of
registration at the time when you complete the continuing registration process. The
closing date for continuing registration is 1 November.

A non-refundable fee is payable if you wish to make an application for (discretionary)
recognition of prior learning.

An extension of registration fee is payable if you are permitted to extend your period
of registration for the stand-alone individual course. You may make this request
throughout the year.

If you are permitted to transfer to the BA degree from a CertHE or DipHE, you will not
normally be required to pay a new registration fee for the degree, but will be required
to pay the appropriate continuing registration fee.
If you progress from the stand-alone Individual course to the BA, DipHE or CertHE in Philosophy, you will be required to pay the registration fee.

*A non-refundable late registration fee of £110 will be charged if payment is not received by the deadlines specified for initial or continuing registration.

**How to pay**
Details on how to pay your fees are available on the [website](#).

Your payment provider may apply additional transaction fees, including in respect of any refunds. (If in doubt, please check with them before making a payment.) Further information about fee payment options can be found in the link above.

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.

**Fee increases**
Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.
