Additional costs
In addition to the Programme Fees payable to the University, you should budget for textbooks (this may well be in the region of £300 per year if you are taking four courses in one year) and for the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them into the overall cost of completing the programme. You can find contact details for all our examination centres on the website. The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £81 per sitting when using London examination centres.

You should also budget for tuition costs if studying at a recognised teaching centre.

Goods and Services Tax (GST)
The University is required to add Goods and Services Tax (GST) to registration, module and course fees paid by students resident in certain countries. Further information can be found on our web page.

All programme fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

When to pay
Programme Fees are payable between 1 March 2021 and 30 November 2021.

The annual registration fee is payable each year to maintain your registration with the University. The closing date for your initial annual registration and course fees is 30 November. The closing date for continuing annual registration and course fees is 1 November each year.

However, please note that if you are registering for English Level 4 courses, you should ensure you complete your annual registration by 9 October in time for the commencement of VLE Tutor Groups on 15 October.

The course fee includes one attempt at the examination.

*A non-refundable late registration fee of £100 will be charged if payment is not received by the deadlines specified for initial or annual continuing registration.

How to pay
Details on how to pay your fees are available on the website.

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.

Fee increases
Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.
