Additional costs

In addition to Programme Fees payable to the University, if you wish to purchase hard copy textbooks you will need to budget for these (this may well be in the region of £300 per year).

You should also budget for the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre, and you should contact your proposed examination centre(s) for details of their fees to factor them into the overall cost of completing the programme. You can find contact details for all our [examination centres](#) on the website. The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £87 per sitting when using London examination centres.

*** There may be occasions where the University cannot offer written examinations held at examination centres and may offer you alternative assessments in line with the current General Regulations instead. Where online timed assessments are offered instead of written examinations, the University of London will charge you an Online Assessment Administration Fee of £10 per assessment item. This fee will be charged at the point of assessment entry. As you will not need to attend an examination centre for these assessments, no examination centre fee applies.

Goods and Services Tax (GST)

The University is required to add Goods and Services Tax (GST) to certain fees paid by students resident in certain countries. Further information can be found on [our web page](#).

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

When to pay

Programme fees are payable between 1 March 2022 and 30 November 2022.

The annual registration fee is payable each year to maintain your registration with the University. The closing date for your initial annual registration and course fees is 30 November. The closing date for continuing annual registration and course fees is 1 November each year.

However, please note that if you are registering for English Level 4 courses, you should ensure to complete your annual registration by 9 November in time for the commencement of VLE Tutor Groups on 15 October.

The course fee includes one attempt at the examination.

Combined Degree Scheme Fee Schedule

** A non-refundable late registration fee of £110 will be charged if payment is not received by the deadlines specified for initial or continuing registration.
