Registration and module selection

- You must pay the fee for at least one module to be registered with us.
- When we receive your payment, we will give you a registration date that marks the beginning of your maximum six year registration period with us.
- When the module session starts, you must keep to the University's published rules and deadlines for taking examinations and submitting coursework and projects.

What to pay

Where applicable, you are required to pay the following Programme Fees in full:

- The module fee is payable once per module and includes access to study materials and entry into the assessments (written examination, coursework and project, as applicable) associated with the module.
- The module fee is determined by:
 - a) whether you choose either institution-supported learning (where available) or web-supported learning, *and*
 - b) the country in which you reside when you register for each module (countries are classified into two categories [Band A and Band B](#)).

Note that if you choose institution-supported learning, you cannot also buy web-supported learning. If you choose to defer an examination or need to re-sit an exam, you will pay the module continuation fee (see below) and will receive web-supported learning.

- The module continuation fee is payable when you do not complete a module in the session that you have selected, by the published deadlines, and have to do one or more of the following:
 - a) submit or resubmit a coursework or project element for a module that you have failed;
 - b) take or retake an examination that you have deferred or failed.

The module continuation fee includes access to study materials, web-supported learning and entry into the assessments.

When to pay

The Programme Fees above refer to modules which commence in the April and October 2019 and April 2020 sessions and are effective from 1 September 2018.

You must have paid your Programme Fees (module and/or module continuation fees) by the registration closing date for your chosen study session.

Other costs

In addition to the Programme Fees payable to the University, you should also budget for:

- The fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. You can find contact details for all our [examination centres](#). The University of London is only responsible for the examination centre fee charged at London centres. You will be charged a fee per sitting when using London examination centres;

- The fee charged for local tuition (where available) by your University of London Recognised Teaching Centre if you take modules with institution-supported learning;

Goods and Services Tax (GST)

The University is required to add Goods and Services Tax (GST) to registration and module/course fees paid by students resident in certain countries. Further information can be found on [our web page](#).

All programme fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students resident in the UK, our fees are exempt from VAT.

Please note

Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Registration on modules cannot be completed and VLE access will not be available until Programme Fees have been received.

Please contact your preferred examination centre for their fees.
