Additional costs

In addition to Programme Fees payable to the University, if you wish to purchase hard copy textbooks you will need to budget for these. The study materials for all modules except Texts in Hebrew are available online however, as either as scanned chapters or in the Online Library.

Although it is possible that examinations will take place online again during 2021-22, you may also need to budget for a fee charged by a local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them into the overall cost of completing the programme. Using this link, you can find contact details for all our examination centres. The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £81 per sitting when using London examination centres.

**Goods and Services Tax (GST)**

The University is required to add Goods and Services Tax (GST) to registration and module/course fees paid by students resident in certain countries. Further information can be found on our web page.

All programme fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is
required to add VAT, GST or any other sales tax at the statutory rate, this will be added to the fees shown during the payment process. For students residing in the UK, our fees are exempt from VAT.

**When to pay**
From 2021–2022, a composite fee model will come into effect and your fees will be paid on a modular basis:

- you will pay only for the modules for which you are registering;
- the module fee will be inclusive of module registration and your first attempt at the assessment for that module in the year which you register;
- there will no longer be a ‘continuing registration fee’ or an ‘assessment fee’.

Examinations take place in May or June each year. The assessment dates also apply if you are re-entering for assessment.

The closing date for module registration is 30 October.

***A non-refundable late registration fee of £105 will be charged if payment is not received by the deadlines specified for initial or continuing registration.

**Please note**
Programme Fees are subject to annual review and typically may be increased by up to 5% per annum.

Generally, students whose fees are paid by sponsors will be expected to correspond directly with their sponsor regarding Programme Fees. The University can provide an invoice, if needed, upon request. Materials will not be despatched and VLE access will not be available until Programme Fees have been received.
