Registration and module selection

- You must pay the fee for at least one module to be registered with us.
- If you wish to pay all the module fees of the MSc upfront, you can pay the full MSc course fee.
- If you are entering the MSc via the Performance Based Admissions (PBA) route, it is not possible to pay the full MSc course fee and you must pay by module (Pay as you go).
- When we receive your payment, we will give you a registration date that marks the beginning of your registration period with us.
- When the module session starts, you must keep to the University's published rules and deadlines for taking examinations and submitting coursework and projects.

What to pay

Where applicable, you are required to pay the following Programme Fees in full:

- The application fee (non-refundable) is payable when you make your application for the MSc, PGDip, PGCert or Individual modules taken on a standalone basis. If your application is successful, you will receive an offer inviting you to register.
- The module fee is payable once per module and includes access to study materials and your first entry into the assessments associated with the module.
- The full MSc course fee is payable when you first register on the programme and includes access to study materials and your first entry into the assessments associated with each module.
- The module and full MSc course fees are determined by the country in which you reside when you register (countries are classified into two categories: [Band A and Band B](#)).

If you choose to repeat the module or need to re-sit an assessment, you will have the following choice:

- a) Resitting the assessment only: In this instance you will pay the resit fee and you will have access to your study materials and will be entered for the exam session; or
- b) Repeating the module: In this instance you will pay the full module fee again and you will have access to Module Leader support, your study materials and you will be entered for the exam session.

If you do not resit the assessment for a failed module at the first opportunity, you will be required to repeat the module.

When to pay

You must have paid your Programme Fees by the registration closing date for your chosen study session.
