When to pay

Fees may be paid in one of the following ways:

Either

1. A single payment when you initially register for the programme covering all module fees for the MA degree, PGDip or PGCert or for a stand-alone Individual module. The deadline for payment in this way is:

The core or elective module fee is payable once per module (except in the case of a second deferral or a restarted module where it must be paid a second time) and includes, as applicable and subject to the regulations, the first attempt at the examination and two attempts at coursework and e-tivities.

The dissertation module fee includes the first and second submission of the dissertation proposal and the first submission of the dissertation thesis.

Additionally, where applicable and subject to the regulations, you may be required to pay:

- An assessment resit/resubmission fee when entering for an examination to resit a previously failed module or when resubmitting coursework for a previously failed module.
- A dissertation thesis resubmission fee to resubmit a previously failed dissertation thesis.
