**The International Foundation Programme is designed to be completed in one year and you are therefore required to pay the total fee in full when you start the programme. There is, however, flexibility for you to extend your study period if required but additional fees will be payable.

See details below for costs you may incur with parties which are external to the University of London, for example, examination centre charges and locally imposed taxes. You should budget for these accordingly.

Information about progressing to higher qualifications can be found in section 12 of the Programme Regulations.

When to pay
The University’s closing date for applications is 1 October. If your application is successful, you will receive an offer inviting you to register. Once you have received an offer from the University, you should inform the teaching centre at which you plan to study.
You should then complete your registration with the University of London and pay the University's fees.

In order to be registered as a University of London student, you will need to pay the total fee in full when you first register. The closing date for initial registration is 15 October.

Examinations take place in late April each year and you can apply to sit your examination from mid-December to the closing date of 1 February. Students will also need to pay their local examination centre fees as part of their examination entry. Students invited to the resit session in July will receive separate instructions about how to pay their examination re-entry fee and the entry deadline with their invite.

The continuing registration fee is payable if you wish to maintain your registration in a second or third year of registration at the time when you complete the continuing registration task each year. The closing date for continuing registration is 15 October.

If you decide to choose an alternative course to the one you originally registered for (and it is permitted by the Regulations), you must pay a New Course fee.

If you choose to continue your studies with one of our undergraduate degrees in Business Administration we will charge a lower ‘continuing registration fee’ for this instead of the initial registration fee. If you choose to continue your studies with our undergraduate degrees in the Social Sciences or Law we will charge you the initial registration fee. The closing date for transfers is 30 November.

A non-refundable late registration fee of £105 will be charged if payment is not received by the deadlines specified for initial or continuing registration.

**Additional costs**

In addition to the Programme Fees payable to the University, you should budget for textbooks (this will depend on your course selection and you should consult with your teaching centre first) and for the fee charged by your local examination centre. Examination centre fees are not included within the fees set out above. This fee will vary from centre to centre and you should contact your proposed examination centre(s) for details of their fees to factor them in to the overall cost of completing the programme. You can find contact details for all our examination centres on the website. The University of London is only responsible for the examination centre fee charged at London centres. You will be charged £81 per sitting when using London examination centres.

You should also budget for tuition costs for studying at a recognised teaching centre.

**Goods and Services Tax (GST)**

The University is required to add Goods and Services Tax (GST) to registration, module and course fees paid by students residing in certain countries. Further information can be found on our web page.

All student fees shown are net of any local VAT, Goods and Services Tax (GST) or any other sales tax payable by the student in their country of residence. Where the University is required to add VAT, GST or any other sales tax at the local statutory rate, this will be added to the fees shown during the payment process. For students resident in the UK, our fees are exempt from VAT.

**Fee increases**
Programme Fees are subject to annual revision and typically may be increased by up to 5% per annum.
